

Our expertise

A key part of any business is having the legal documents, processes and support in place so that you have time to spend doing what matters most. Running your business.

We provide a comprehensive range of advice, covering:

Contracts: commercial and projects

Competition

Agency and distribution

Terms of business

Manufacturing and outsourcing

Franchising and sales of goods & services

Information technology and intellectual property

Partnership and LLP

CLIENT TESTIMONIALS

“ We received advice from SAS Daniels which was knowledgeable, professional and which demonstrated a real understanding of our commercial requirements. ”

Steve Gray, Training 2000 Limited

“ The advice I receive from SAS Daniels is always professional and demonstrates a real understanding of our issues with no jargon, just clear advice. ”

Donald Moore, Rowlinson Knitwear

Our team will take the time to look at your business holistically and help you identify your needs.

How we can help

Our team provides comprehensive specialist advice to entrepreneurs, SMEs and multinational businesses in relation to operational activities, relationships with suppliers, agents and customers and other business relationships.

We can ensure your agreements protect your business by being commercially astute, adept at negotiating and providing the right advice for your businesses' unique circumstances.

When it comes to pricing, we will discuss options with you to make sure you are happy with any costs from the outset. We are always transparent when it comes to pricing, so you won't find any costly surprises at the end.

Our team pays great attention to detail and will help you maximise the value of your business assets.
